Parent-Teacher Association (P.T.A.) for School

A Parent Teacher Association (PTA) is a committee formed to strengthen cooperation between parents and teachers for the overall development of students and the school.

Objectives of PTA

1. Improve communication between parents and teachers.
2. Support academic and co-curricular activities.
3. Discuss student welfare and discipline.
4. Encourage parent participation in school programs.
5. Help in school development activities.
